In the following lots are scarfs, stoles, pelisses, capes, throws, four-in-hands, and rug, pillow and barrel muffs. Black fox, blue fox, black hare, opossum, jay mink, black lynx, pointed fox—are a few of the furs represented.

We have just received another shipment. These coats are made of crushed plush, in an exact imitation of the caracul fur. They never lose their shape and always retain their color, regardless of the dust. Full length, made with big shawl collar and deep cuffs, lined with satin. ## OUT-OF-TOWN FOLKS

If you possibly can, come to El Paso and do your Christmas shopping in person. But, if you can't come, the next best thing is to shop with us by mail. All mail orders are filled the same day as received. Competent people attend to the selecting and packing. On orders amounting to \$5.00 and more, we prepay the express or freight charges. (Of course, this excepts staples.) Again, we remind you that all mail orders are filled from a complete, new stock.
